

Program Committee Members

Name	Position
Yevgeny ADAMOV	Chairman of the Program Committee, Scientific supervisor of the “Proryv” project
Valery RACHKOV	Vice chairman of the Program Committee, Scientific supervisor of R&D of the “Proryv” project
Pavel ALEKSEEV	Scientific supervisor of the Kurchatov perspective nuclear energy complex, Science & Research Center “Kurchatov Institute”
Leonid BOLSHOV	Supervisor of the development project of the integrated new generation codes systems for the analysis and justification of perspective NPPs and nuclear fuel cycle, Scientific supervisor of the Nuclear Safety Institute of the Russian Academy of Sciences (IBRAE RAN)
Boris VASILIEV	Chief designer of the fast neutron reactor plant at “OKBM Afrikantov” JSC
Andrey GULEVICH	Deputy general director, director of Joint Stock Company "State Scientific Centre of the Russian Federation – Institute for Physics and Power Engineering named after A.I. Leypunsky" (JSC "SSC RF – IPPE")
Dmitry EVLANOV	Head of “Proryv” project implementation group at JSC “TVEL”
Vladislav KOROGODIN	Director for the management of the life cycle of NFC and NPP, State corporation “Rosatom”
Oleg KRYUKOV	Director for Public Policy on Radioactive Waste, Spent Nuclear Fuel and Nuclear Decommissioning, State corporation “Rosatom”
Vadim LEMEKHOV	Chief Designer of the “Proryv” project
Youry MOCHALOV	Chief Technologist of the “Proryv” project
Andrey PETRENKO	Chief Engineer of the “Proryv” project
Vladimir RISOVANY	Deputy general director, JSC “Science and Innovations”
Boris SILIN	Advisor to Directorate of the Nuclear Energy Complex, State corporation “Rosatom”
Mikhail SKUPOV	Scientific supervisor of works at “The fuel rods and fuel assemblies development”, “Proryv” project
Valentin SMIRNOV	Scientific supervisor of JSC “Research & Development Institute of technical physics and automation” (“NIITFA”)
Dmitry SOLOVIEV	Scientific secretary of the Technical Committee of the “Proryv” project
Georgy TIKHOMIROV	Deputy Director of the Nuclear physics and technology institute at the National Research Nuclear University MEPhI
Dmitry TOLSTOUKHOV	Head economist of the “Proryv” project
Andrey FEDOROVSKY	Head of the Mathematical Modeling Department at Innovation & Technology Center of the “Proryv” project

Youry KHOMYAKOV	Head of Division of Research and Development Chief Scientific Officer, Innovative Technological Center of the «Proryv» Project
Andrey SHADRIN	Scientific supervisor of the development of the SNF refabrication and radioactive waste treatment basic technologies at the “Proryv” Project
Sergey SHEPELEV	Chief Designer of the BN-1200 project at “OKBM Afrikantov” JSC
